05 AKHB REVIEW POINT

Match this precise party, docket and actual order date before relying on the note. Similar wording in other monetary-limit disposals does not establish duplicate identity or a common merits ratio. The cited 2018 circular is historical; applicable thresholds, exceptions and later proceedings require independent verification. The source counsel heading lists Krishna Agarwal, while the hearing paragraph names Manu Ghildyal for the appellant. The source is retained without assuming which attribution is correct.
