05 AKHB REVIEW POINT

Match this precise party, docket and actual order date before relying on the note. Similar wording in other monetary-limit disposals does not establish duplicate identity or a common merits ratio. The cited 2018 circular is historical; applicable thresholds, exceptions and later proceedings require independent verification. E. Transition System ITA 5/2013 and ITA 16/2013 are separately docketed orders with different original hashes; they are not alternate copies of one decision.
