05 EXPERT COMMENTS

AKHB EXPERT COMMENTS — editorial analysis, distinct from the Court's findings.

An objection deadline, not condonation — In INCOME TAX APPEAL DEFECTIVE No. 3 of 2024, respondent counsel received two weeks and expressly no more time to object to delay condonation. The warning was that the Court would proceed to necessary orders if objections were not filed. It did not say delay would automatically stand condoned.

Keep the pending application and separate appeal clear — The fresh listing was in the week commencing 29 April 2024. No delay period, explanation or merits issue was decided in this order. Carmel Venture's Defective Appeals 2/2024 and 3/2024 are separate dockets despite identical directions; an objection or later condonation order must be tied to the correct appeal.
