05 EXPERT COMMENTS

AKHB EXPERT COMMENTS — editorial analysis, distinct from the Court's findings.

Interim benefit was extended by reference — Associated Journals' Writ Tax No. 738 Of 2025 was connected with Writ Tax 335/2024, and the benefit of that writ's interim order was extended on the same terms. This grants incorporated protection, but does not restate its operative terms or decide the tax dispute.

The incorporated order must be identified — The source refers to an interim order in the lead writ without giving its date or text. The earlier 3 January 2025 scheduling order in that writ cannot by itself supply those protective terms. A reliable account of the scope and duration requires the actual interim order and later variations.

Pendency is reported, not a final Supreme Court result — The Court recorded that the matters were said still to be pending before the Supreme Court. This does not establish their eventual outcome or current status. Writs 740/2025 and 738/2025 remain separate proceedings even though the same benefit and connection were ordered.
