The portal is designed to assist investors in a transparent, time-bound, and hassle-free manner. There is an online system to provide information regarding all approvals required by the industries to set up their businesses. (https://www.apindustries.gov.in/APIndus/Default.aspx)

- **State Industrial Land Bank**

  A GIS system is created to showcase if there is land and infrastructure available for businesses. The system has information related to Government owned factories and offices, and shows how much the land costs, how easy it is to get there, and what utilities (like electricity and water) are available. (www.kpi.apiic.in:8443/KPI/apiicfi)

- **Central Industrial Land Bank Portal**

  Industrial parks serving as a one-stop repository of all infrastructure-related information, such as, connectivity, infra, natural resources and terrain, plot-level information on vacant plots, and contact details. (iis.ncog.gov.in/parks/login1)

- **Andhra Pradesh Industrial Development Policy (4.0) 2024 - 2029**

  To attain balanced and sustainable growth across regions, the policy focuses on promoting ease of doing businesses, supporting businesses throughout the value chain, building infrastructure, and providing requisite incentives to businesses.

  Andhra Pradesh has a favourable business environment for setting up food processing units and offers investors robust infrastructure, support for capital investment and technology upgradation, a strong marketing network, rich and diverse human capital, quality assurance, and grants.
